MEMORANDUM FOR: Executive Secretary,
Human Sources Committee

SUBJECT: Review of PFIAB Report by the
Human Sources Committee

1. Hereunder Mr. Colby's comments.
2. General Wilson wants to give this good treatment. He has noted that it is a priority task in the HSC Action Program. We think overall responsibility within the HSC should remain with the Acting Chairman or the Executive Secretary, not a member, but assisted by the ESG. We'll be working on this too but on that portion which the HSC would not address. The IC Staff will prepare the final report.
3. Final submission by the HSC to the Chairman should be not later than 15 May. Fritz and I would like to sort out specific tasks with you on Friday (7 March).
